Summary

I am a final year IT student at Kantipur City College of Putalisadak, Kathmandu affiliated to Purbanchal University, Biratnagar. I have developed excellent analytical and leadership skills through my degree, as well as key programming skills through my free time learning at home. My determination and dedication is highlighted by my achievement of being the college topper as a first year. I am now looking to further develop and use my skills in a year in industry placement, specifically in Web application development.
