Work Experience

May 2015-Jan 2017 Worked as a cloud worker at Cloud Factory, Bhaesipati, Lalitpur

Programming Languages

- **Major**
Java, HTML , MySQL, C, C++
- **Basic**
JavaScript, CSS

College Projects:

1. **Project Aider (4th year, 7/8th semester)** - To provide a web application repository for project collaboration using Java.
2. **Restaurant Management System (3rd year, 6th semester)** - We built a desktop app using Java platform which managed the employee records, menus and calculated bills. The app also showed graph of most sold food items.
3. **Departmental Billing System (2nd year, 3rd semester)** - We designed a system for calculating the bills for a supermarket using C++.
4. **Hotel Management System (1st year, 1st semester)** - We designed a system that reserved the room and calculated the total bill of the customer using C.

Training Attended

1. Advanced Java Training (at NIIT Jamal, Kathmandu - 4 weeks)

2. Core Java Training (at NIIT, Jamal, Kathmandu - 4 weeks)
3. Web Designing (at APTECH, Kumaripati, Lalitpur Oct 28,2011)
