Curriculum Vitae

About me

Name	Shekhar Koirala
Address	Nayabazar- 16, Kathmandu
Phone	+977-9860925169
Email	shekharkoirala4@gmail.com
Web	koiralashekhar.com.np
Date of Birth	23rd May 1995
Nationality	Nepali

Competitions

December 2016	International Robotics Competition, Techfest IIT, Mumbai [finalist]	
December 2015	International Robotics Competition, Techfest IIT, Mumbai [finalist]	
2016	Ncell app camp -2	
2015	Assistant appathon by MIC Nepal	
2014	Kshitij, Asia largest Techfest, IIT Kolkata	[2nd]
2014	Ncell app camp - 1	
2013	Military science and technology Competition	
2012	National science and technology competition	[2nd]

Education

Bachelor in Electronics and Communication Engineering	Institute of Engineerng, Thapathali Campus	[Final Year]
+2	Kathmandu Model School	[First Division]
SLC	Neelgiri School	[Distinction]

Skills

Software	Anaconda, Jupyter,Scikit,linux, LibreOffice, Git,Proteus, Atmel studio, Power BI, Microsoft Azure
Programming	C, C++, Python, MySql, Hardware coding
Data science	Participating in Microsoft Professional Program for Data Science (will complete in july 15, 2017) which includes Use Microsoft Excel to explore data Use Transact-SQL to query a relational database Create data models and visualize data using Excel Apply statistical methods to data Use Python to explore and transform data Follow a data science methodology Create and validate machine learning models with Azure Machine Learning Write Python code to build machine learning models Apply data science techniques to common scenarios Implement a machine learning solution for a given data problem

Summary

Ex Coremember(President) of Robotics and Automation Center, IOE, Thapathali Campus [2016-2017]

"Data Mining" as Elective subject in Engineering.

Doing Machine Learning project(Anomaly Detection System) as Final year project

Studying Mahine learning , algorithm and data science.

Interest in Ui/Ux Design, Photography, Movies and innovative & group work.

Want to be better Data Analyst / Scientist
