Personal Statement

Presently, I am an undergraduate student studying Computer Engineer at Tribhuvan University attending my final year. I've learned many things up till now and the most crucial of all is being self-motivated. I am a self-motivated type of person who likes to explore myself and realize my own potential skills. Enhancing my skills is what I tend to focus on. Being able to overcome obstacle and challenge the challenges is what I like to do. Most of all, I like to learn and develop new things.

Objectives

To be associated with a progressive organization which can provide me with a dynamic work sphere to extract my inherent skills as a Professional, use and develop my aptitude to further the organization's objectives and also attain my career targets in the progress.
